Principal’s Report

We have had a very busy few weeks and some wonderful events. A huge thank you to the many parents that have been assisting around school the last few weeks with the working bee, Athletics, PSSA sport and listening to our students reading. Your support is always appreciated and we are always keen to have parental involvement.

Teachers have been busily finalising their end of Semester One reports. The majority of these will be forwarded home on Monday 15th. Most teachers have also planned and scheduled interview times, if you have not booked in please be sure to make contact with your child’s teacher as soon as possible.

On the last day of term we will be holding our NAIDOC week celebrations. On this day students may come in mufti – we encourage them to wear red, yellow or black clothing items.

Kind regards

Tanya Potter
Principal
WHAT’S BEEN HAPPENING........

Regional Cross Country
Congratulations to our trio of runners that competed at the South Coast Cross Country carnival at Nowra. It is a very challenging course and our students all ran very well and made their parents and the school community very proud. In many age groups there are 70+ runners so the results our runners achieved were just fantastic! Congratulations Reilly - 16th Leena - 30th Wilkie - 33rd

Public Speaking
Today the finals of the Seacliffe Public Speaking competition are being held at Waniora PS. The following students will represent our school after they won their stage competitions for our school. Our stage competitions were well contested with a variety of topics being presented. Although they were all persuasive it was interesting to see the way the students used different styles to engage the audience. Good luck to the following students who will represent our school:
Stage 1 Rhett – Annoying My Sister.
Stage 2 Ella– Children should be allowed to vote.
Stage 3 Clara – Ban Factory Farming.

Working Bee
Many thanks to the parents and students that came along and worked at the school over the weekend of the 30/31st of May. We achieved our goals and much more thanks to the dedicated team. The long jump pit was relocated to a drier location, the table and chairs moved, the seating circle relocated, frog ponds moved, a rock wall created, turf relocated /laid and plants relocated. A huge thank you to the Stenning family that provided the man power and machinery to do many of the heavier jobs on the Saturday. While on Sunday there were many hands on deck to do a fantastic job restoring the many areas. Our kitchen area is now ready for construction to begin, please read the letter form the P&C below in regards to this project.
Thank you once again!

Indigenous Celebrations
Congratulations to Yve for being recognised for her academic performance at the recent Garuwanda celebrations. Our Indigenous students next week will be attending Koori Kids Day at the Sydney Opera House with all the other Koori kids from the Seacliffe Community of Schools. This event is being coordinated by Mrs Gould.
NAIDOC Celebrations will be held on the last day of term – Friday 26th June. On this day the students will be completing some activities that will help increase their awareness of our Indigenous culture. Our students may wear multi clothing. We encourage them to try and wear red, yellow and black tones where possible.

Sports Report – Athletics Carnival
What an amazing day! The weather was brilliant and we were able to get there nice and early and get off to a great start. The children were all eager and raring to go. All students participated in a variety of activities with many improving on their performances from last year. The Primary still have shot put to complete. The District team will be announced at the K-6 Assembly in Week 10 Monday 22 June. The District Carnival is held over two days – Monday 3 August and Friday 7 August.
Ms. Gould ran a busy schedule for the 5, 6 and 7 years old children for their events through our coaching sessions.

Expression of interest – Southern Stars and Camp for Years 3-6.
Earlier this week we put out an expression of interest for the students to go and view the matinee performance of Southern Stars. Our school is not involved this year but it is something we are considering being involved with in the future. Of course we do need interest and by going along to watch the performance we thought the students may see how special the event is and the many ways schools can be involved eg. choir, dance, band.
Of course tickets need to be purchased and hence the deadline of Friday 19th June. This date cannot be extended so if you would like your child to attend then you must return the form by this date. Tickets will only be purchased for the forms that are returned by this date. A deposit of $5 is needed to purchase the ticket. Once we know how many students are attending we can finalise the cost in regards to the bus fare, then parents will have one week before the concert to finalise payments.

Footnote: Thank you to Mr Galvin for doing an outstanding job in coordinating everybody, Mrs Gould for managing the recording and Ms Gould for the junior day. A special thanks to our sport coaches from Sporting Schools – Jordan and Candice for preparing the students for their events through our coaching sessions.

GENERAL NOTICES........

School Assemblies – Monday 22 June will be our next formal K-6 assembly with 4/5W presenting. Parents are most welcome to join us for this at 9am.

Outdoor Kitchen/Garden

Here’s an update on The Outdoor Kitchen project which is really ramping up now.

What we have done so far......
- Settled on a design
- Cleared the space for the build (thank you to all who helped out – it was a great community effort!)
- Have a general budget scoped out
- Have 2 Project Coordinators who are well qualified and are volunteering their time
- Are receiving voluntary donations that are spectacular! (thank you!)

What we need........
To work effectively within our available budget we need as much volunteer help as possible. So we are looking for qualified and experienced people to volunteer for the following roles:
- Builders (with license)
- Carpenters
- Electricians
- Plumbers
- Engineers
- Structural
- Geotechnical
- Electrical
- Hydraulic

Once we know what resources we have, it will become clear what we don’t have and allow us to make plans accordingly.
We can also remove those items from the budget and only spend money where we need to.

Unexpected Magic - A Date for the Diary!

On Saturday the 10th October, an evening of dance, circus, live music, food and film will unfold beneath the dusk skies of our school’s magnificent grounds.

This is Unexpected Magic, our bi-annual school community show, created and performed by the kids, parents/carers & staff of Coledale Public School.

Breath-taking dance and circus, live music, mesmerizing multi-media performance, and a hilarious, utterly celebratory whole-school “flash mob,” are just some of the highlights.

NOTE: Our inclement weather back-up date is Saturday 17th October - so put this in your diary as well!

What’s Been Happening:

Work on the fabulous ‘Tango’ piece by Kindy, Yr 1 and Yr 2 is well underway in weekly classes with choreographers & parents Donna Shingler and Jenni Keers. Our ‘Flashmob’ & ‘Wedding’ acts are also underway in weekly sessions with students across classes, directed by choreographer/dancer & actor, parent Jane Fullerton-Smith.

Brainstorming & play sessions in the form of “tasters” are scheduled for the last weeks of this term with the 3/4’s and the 4/5’s (for the circus & ‘Beat Box’ acts). As is the ‘Portraits’ multi-media project with the 5/6’s, led by visual artist parents Priscilla Nielsen and Lizzie Buckmaster Dove. Work on a group-piano piece with professional pianist, composer & parent Kelvin Haisman, and those acts involving circus & musical collaborations between students and parents, get underway in earnest over the two-week break.

Term 3 will see our show development take off. Stay tuned for informal and fun ‘show & tells’ in the library next term - to give our performers and creators a chance to "road test" and refine their material as we get closer to show time...

Local Babysitter
Hi I’m Rose O’Donnell, a previous student from Coledale public school, I would love to be able to help you by babysitting your kids, many of which I already know. I am now in year 9 at St Mary Star of the Sea College, but my younger brother Hadin, year 5 is still at Coledale Public School. I have experience with looking after many local kids and can provide references if required. I live locally in Coledale and I am available most evenings and weekends. I can be contacted on 42684168 or 0487511887. Thanks.
