ADVANCE AUSTRALIA FAIR

Australians all let us rejoice
For we are young and free
We've golden soil and wealth for toil
Our home is girt by sea
Our land abounds in Nature's gifts
Of beauty rich and rare
In history's page, let every stage
Advance Australia Fair
In joyful strains then let us sing
Advance Australia Fair

Beneath our radiant Southern Cross
We'll toil with hearts and hands
To make this Commonwealth of ours
Renowned of all the lands
For those who've come across the seas
We've boundless plains to share
With courage let us all combine
To Advance Australia Fair
In joyful strains then let us sing
Advance Australia Fair
SALTWATER

We are a rock revolving, around a golden sun
We are a billion children rolled into one.
So when I hear about the hole in the sky
Saltwater wells in my eyes.

We climb the highest mountain, we'll make the desert bloom
We're so ingenious we can walk on the moon.
But when I hear of how the forests have died
Saltwater wells in my eyes.

I have lived for love, but now that's not enough
For the world I love is dying, and now I'm crying
And time is not a friend, as friends we're out of time
And it's slowly passing by, right before our eyes.

We light the desert ocean, send photographs of Mars
We're so enchanted by how clever we are
Why should one baby feel so hungry she cries?
Saltwater wells in my eyes.

I have lived for love, but now that's not enough
For the world I love is dying, and now I'm crying
And time is not a friend, as friends we're out of time
And it's slowly passing by, right before our eyes.

We are a rock revolving, around a golden sun
We are a billion children rolled into one.
What will I think of me the day that I die?

Saltwater wells in my eyes
Saltwater wells in my eyes
Saltwater wells in my eyes.
ROOM TO GROW

I am like a tree, and a tree is just like me
Spreading our limbs, reaching for the sun.
Yes I am like a tree, and a tree is just like me
Growing our roots, we've just begun.

For we all need room to grow
We want the world to know
That life is precious, ocean, land and sky.
Yes we all need room to grow
We want the world to know
That we'll protect it, or answer why.

I am like the sea, and the sea is just like me.
Full of life, changing day by day.
Yes I am like the sea, and the sea is just like me
Gaining in strength, whatever comes our way.

For we all need room to grow
We want the world to know
That life is precious, ocean, land and sky.
Yes we all need room to grow
We want the world to know
That we'll protect it, or answer why.

With rain to cleanse the earth
In spring, a time of birth
We'll walk together hand in hand
Guardians of the land.

For we all need room to grow
We want the world to know
That life is precious, ocean, land and sky.
Yes we all need room to grow
We want the world to know
That we'll protect it, or answer why.

I am like a tree, and a tree is just like me.
We need room
To grow.
JUMPSTART

Broke
Ain't got no money, don't know where to go
Just sittin' staring at the stereo
I think we better turn it up, turn it up, turn it up

Loud
'Cause lately I've been feeling kind of low
Let's blow the speakers on the radio
'Cause tonight we're gonna break it down, break it down, break it down.
We gotta get up offa' the ground

We're gonna give it a jumpstart 4,3,2,1 GO! What's up?
When we get it going, no way we're gonna stop.
And all you need is a spark, spark
If it's all that you got, got, got, got, got

We're gonna give it a jumpstart 4,3,2,1 Go! What's up?
We're gonna dance until our L-L-Legs go into shock!
Like an adrenaline shot, shot going straight to the heart, heart, heart, heart, heart
We're gonna give it a jump.
Whoa, Oh, Eh, Oh
Whoa, Oh, Eh, Oh
Whoa, Oh, Eh, Oh
Whoa, Oh, Eh, Oh
Whoa, Oh, Eh, Oh
Whoa, Oh, Eh, Oh
Hey!
Whoa

We're gonna give it a jump!
Dreams.
We got enough that we can fill the tank
And even if we gotta break the bank
You know we're gonna turn it up, turn it up, turn it up

Time.
Ain't got to worry 'bout it anymore.
And if they try to stop us at the door,
You know we're gonna break it down, break it down, break it down
We gotta get up offa' the ground

We're gonna give it a jumpstart 4,3,2,1 GO ! What's up?
When we get it going, no way we're gonna stop.
And all you need is a spark, spark
If it's all that you got, got, got, got, got
We're gonna give it a jumpstart 4,3,2,1 Go! What's up ?
We're gonna dance until our L-L-Legs go into shock !
Like an adrenaline shot, shot going straight to the heart, heart, heart, heart, heart.
We're gonna give it a jump !
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
HEY !
Whoa

We're gonna give it a jump !

Can you feel the elec-tricity in the air;
Anytime, anyplace, it will always be there.
When your heart stops baby,
Heart stops baby
YEAH !
We're gonna give it a jump.  4,3,2,1 GO! What's up?
When we get it going, no way we're gonna stop.
And all you need is a spark, spark
If it's all that you got, got, got, got, got
We're gonna give it a jumpstart 4,3,2,1 Go! What's up?
We're gonna dance until our L-L-Legs go into shock!
Like an adrenaline shot, shot going straight to the heart, heart, heart, heart, heart.
We're gonna give it a jump!
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
Whoa,Oh,Eh,Oh
HEY!
HEY!
HEY!
HEY!
We're gonna give it a jump!
THE MIDDLE

Hey, don't write yourself off yet.
It's only in your head you feel left out, or looked down on.
Just try your best.
Try ev'rything you can.
And don't you worry what they tell themselves
When you're away.

It just takes some time little girl,
You're in the middle of the ride.
Ev'rything, ev'rything will be just fine.
Ev'rything, ev'rything will be alright, alright.

Hey, you know they're all the same.
You know you're doing better on your own, so don’t buy in.
Live right now.
Yeah, just be yourself.
It doesn't matter if it's good enough
For someone else.

It just takes some time little girl,
You're in the middle of the ride.
Ev'rything, ev'rything will be just fine.
Ev'rything, ev'rything will be alright, alright.

It just takes some time little girl,
You're in the middle of the ride.
Ev'rything, ev'rything will be just fine.
Ev'rything, ev'rything will be alright, alright.
Hey, don't write yourself off yet
It's only in your head you feel left out, or looked down on.
Just do your best.
Do everything you can
And don't you worry what their bitter hearts
Are gonna say.

It just takes some time little girl,
You're in the middle of the ride.
Ev'rything, ev'rything will be just fine.
Ev'rything, ev'rything will be alright,Alright.

It just takes some time little girl,
You're in the middle of the ride.
Ev'rything, ev'rything will be just fine.
Ev'rything, ev'rything will be alright,Alright.
DREAMS THAT CHILDREN DREAM

In the golden light of morning, with the rising of the sun
Our anticipation builds for the adventures soon to come.
There are mountain tops to conquer, there are oceans to explore.
In the dreams that children dream, the world's an open door.

There is mystery and magic in the simplest kinds of things
In the colours of the rainbow, in the song the robin sings.
There are friends to be remembered, there are friends we've yet to meet.
In the dreams that children dream, the world's a place of peace.

Dream, dream with me
1sts: The dreams that children dream, the dreams we dream
2nds: The dreams that children dream, the dreams that children dream
Dream, dream with me
Of what our world could be.

In the glowing warmth of evening, when the day's adventures end
There are memories to cherish, there is hope to start again.
There are shining stars to wish on in the sky of midnight blue
In the dreams that children dream, they really do come true.

1sts: In the dreams we dream,
2nds: In the dreams that children dream,

They really do come true
BREAKAWAY

Dah, dah, dah, 'n' dah, dah.
Dah, dah, dah, 'n' dah, dah.
Dah, dah, dah, 'n' dah, dah, dah.

Dah, dah, dah, 'n' dah, dah.
Dah, dah, dah, 'n' dah, dah.
Dah, dah, dah, 'n' dah, dah, dah, dah.

Grew up in a small town and when the rain would fall down,
I'd just stare out my window.
Dreaming of what could be and if I'd end up happy,
I would pray.

Trying hard to reach out but when I tried to speak out,
Felt like no one could hear me.
Wanted to belong here but something felt so wrong here.
So I'd pray.
I could break-a-way.

1sts: I'll spread my wings and I'll learn how to fly.
2nds: I'll spread my wings and I'll learn how to fly.
1sts: I'll do what it takes 'till I touch the sky, an I'll
2nds: I'll do what it takes 'till I touch the sky,
1sts: Make a wish, take a chance, make a change
2nds: Make a wish, take a chance, make a change
1sts: And break-a-way
2nds: And break-a-way

1sts: Out of the darkness and into the sun.
2nds: Out of the darkness and into the sun.
1sts: But I won't forget the ones that I love, and I'll
2nds: But I won't forget the ones that I love,
1sts: Take a risk, take a chance, make a change
2nds: Take a risk, take a chance, make a change
1sts: And break-a-way.

2nds: And break-a-way.

Dah, dah, dah, 'n' dah, dah.
Dah, dah, dah, 'n' dah, dah.
Dah, dah, dah, 'n' dah, dah, dah.

Wanna feel the warm breeze, sleep under a palm tree
Feel the rush of the ocean.
Get on board a fast train, travel on a jet plane
Far a-way, and break-a-way.

1sts: I'll spread my wings and I'll learn how to fly.
2nds: I'll spread my wings and I'll learn how to fly.
1sts: I'll do what it takes 'till I touch the sky, an I'll

2nds: Take a risk, take a chance, make a change
1sts: And break-a-way.
2nds: And break-a-way.

Building with a hundred floors, swinging 'round revolving doors.
Maybe I don't know where they'll take me, but
Gotta keep movin' on, movin' on.
Fly a-way, breakaway.
1sts: I'll spread my wings and I'll learn how to fly.
2nds: I'll spread my wings and I'll learn how to fly.
1sts: Though it's not easy to tell you goodbye, and I'll
2nds: Though it's not easy to tell you goodbye,
1sts: Make a wish, take a chance, make a change
2nds: Make a wish, take a chance, make a change
1sts: And break-a-way
2nds: And break-a-way

1sts: Out of the darkness and into the sun
2nds: Out of the darkness and into the sun
1sts: But I won't forget the place I come from. I gotta
2nds: But I won't forget the place I come from.
1sts: Take a risk, take a chance, make a change
2nds: Take a risk, take a chance, make a change

And break-a-way
Break-a-way
Break-a-way.
SWINGIN' THE NIGHT AWAY

When the band starts swingin' the beat
Makes me feel like tappin' my feet
Nothin' could be finer than dinner in a diner
Or swingin' the night away.

Swing that beat with rhythm and drums
Makes me feel like snappin' my thumbs
Nothin' could be finer than dinner in a diner
Or swingin' the night away.

Basie swung it when Ella sung it
It always sounded fine.
Fans all dig it and cool cats gig it
Swing it on down the line.

When the band starts swingin' the beat
Makes me feel like tappin' my feet
Nothin' could be finer than dinner in a diner
Or swingin' the night away
Just swingin' the night away.
I LOVE A RAINY NIGHT
Well I love a rainy night, I love a rainy night.
I love to hear the thunder, watch the lightning when it lights up the sky.
You know it makes me feel good.

Well I love a rainy night, it's such a beautiful sight.
I love to feel the rain on my face, taste the rain on my lips.
In the moonlight shadows.

Showers wash all my cares away.
I wake up to a sunny day
'Cause I love a rainy night.
Well I love a rainy night.
Well I love a rainy night.
Well I love a rainy night.

Well I love a rainy night, I love a rainy night.
I love to hear the thunder, watch the lightning when it lights up the sky.
You know it makes me feel good.

Well I love a rainy night, it's such a beautiful sight.
I love to feel the rain on my face, taste the rain on my lips.
In the moonlight shadows.

Puts a song in this heart of mine,
Puts a smile on my face ev'ry time.
'Cause I love a rainy night.
Well I love a rainy night.
Well I love a rainy night.
Well I love a rainy night.

Well I love a rainy night (you can see it in my eyes)
Well I love a rainy night (and it makes me smile)
Well I love a rainy night (you know I do)
Well I love a rainy night. (Ooh, ooh,)
Well I love a rainy night!
THAT'S MY TEAM

And another thing, I'm discovering lately
I'm a bit crazy, for my rugby league team.
Now the stage is set for the best season yet, you'll see
And you will hear me ev'ry week when I scream.

That's my team, that's my team, that's my team,
Yeah, that's my team.

Like a talent scout, I've been checking out new blood
And they'll do good, they'll add a lot to our game.
I'm a footy fan, our game demands pure skill
And my team will beat anyone that you name.

That's my team, that's my team, that's my team,
I'm letting ev'ryone know

That's my, that's my, that's my, that's my team
That's my, that's my, that's my, that's my team.

They say, well they say
They wanna try and make us pay
They say, but I say
We're ready and we're on our way, to grand final day.

And another thing, I'm discovering lately
I'm a bit crazy, for my rugby league team.
Now the stage is set for the best season yet, you'll see
And you will hear me ev'ry week when I scream.

That's my team, that's my team, that's my team,
I'm letting ev'ryone know
That's my, that's my, that's my, that's my team
That's my, that's my, that's my, that's my team
That's my, that's my, that's my, that's my team
That's my, that's my, that's my, that's my team.
WAKE UP

1sts.
The sun has come up,
Wake up!
It's time to start a new day.
Won't you rise and sing,
Wake up!
It's time to start a new day.
